COORDINATING COMMITTEE

RECORD OF DISCUSSION

ON

1959 LIST REVIEW

101-199 SERIES - CHEMICAL AND PETROLEUM EQUIPMENT

Present: Belgium(Luxembourg), Canada, France, Germany, Italy, Japan,
Netherlands, United Kingdom, United States.

References: COCOM Docs. Nos. 3700.1 - 9, 1959 REVIEW - W.P.7/1142, /1145,
/New Item No. 1 and New Item No. 2, and W.P. 1133/1.

The Coordinating Committee reviewed the following items in the 101-199 series - 1133, 1142 and 1145, together with two new items proposed by the United States Delegation.

A Review Sub-Committee, assisted by experts and under the chairmanship of Mr. CORTESE DE BOSIS (Italy), met on the 23rd and 24th November, 1959.

The Chairman of the Sub-Committee reported to the Committee on the 30th November. At that time, the Committee examined the findings of the Sub-Committee and drew the detailed item-by-item conclusions to be found in the following documents: COCOM Docs. Nos. 3711.42/1, 3711.45/1, 3711.NI 1/1 and 3711.NI 2/1.

The Committee further confirmed on that date the agreement reached in plenary session on the 29th October. This is recorded in COCOM Doc. No. 3711.33/1.

The table attached hereto shows the categories into which the items under study fell at the close of the first round of discussion.
